

ACCESS PROGRAMME

Accelerating Commercialisation and Competitiveness of European Space Sector

Ida Matysek
Delegate to ESA AGIC
(Advisory Group on Industrial Policy and Commercialisation)

R&D Department
Polish Space Agency

17 March 2026

ACCESS – General info

Fusion of ScaleUp Programme and ARTES 4.0 BASS element

Confirmed on CM25

- Divided into Element 1 SCALE-UP and Element 2 BASS, with separate „envelopes”
- Projects started earlier under ScaleUp INVEST, ScaleUp INNOVATE and ARTES 4.0 BASS will continue to be implemented under the ACCESS Programme rules

ACCESS – Element 1 SCALE-UP

Component 1 ESA Phi-LabNET

ESA funding secured until 2031

Component 2 ESA Business Incubation Centres

CM25: 5 mln € for continuation of the activities

Component 3 ESA Technology Brokers

CM25: 1,2 mln € for continuation of the activities

Component 4 ESA Business Accelerators

no PL subscription

ACCESS – Element 1 SCALE-UP

Component 5 Marketplace (earlier: ScaleUp INVEST)

– commercialisation support for TRL 7+ technologies

CM25: 700 000 €

Option 1: Accelerate time to market

You are a **buyer / customer**: procuring commercial products or services that accelerate time-to-market and enhance business and industrial competitiveness

Option 2: Acquire new customers

You are a **seller / service provider**: your goal is to acquire key customer to whom you shall deliver products or services

- ✓ Identify one or more commercial partnerships that will support the scaling of your activities to be facilitated through the ESA Marketplace
- ✓ Contact PL delegate
- ✓ Application to Marketplace – through OSIP platform
- ✓ After positive ESA evaluation – full proposal through ESA-STAR

ACCESS - BASS

BASS – Business Applications and Space Solutions

Component 1 – Business Applications

CM25 subscription: 2,2 mln €

Component 2 – Business Ambassadors

CM25 subscription: 0,2 mln €

Thank you!
